

Terms and Conditions of the SMS Ticket sales of Železničná spoločnosť Slovensko, a. s. (ZSSK) Effective from July 1, 2025

The sale of tickets of Železničná spoločnosť Slovensko, a. s. (ZSSK, the carrier) via mobile phone as an electronic SMS ticket may be used by natural and legal persons without limitation, provided they comply with the following Terms and Conditions of SMS Ticket Sales of ZSSK (Terms and Conditions of SMS Ticket Sales).

As part of the rules for providing SMS ticketing to ZSSK passengers, they are **obliged to board the train with a valid SMS ticket already received on their mobile phone and to have valid SMS tickets** (or other valid travel documents) **throughout the entire journey**, as well as immediately after disembarking from the train.

1 General Terms and Conditions

- 1.1 SMS ticket sales by ZSSK allows you to purchase **SMS tickets only for trains operated by ZSSK**, according to the:
 - a) **SMS price list No. 1** – valid for the **lines TEŽ, OŽ** (hereinafter used for High Tatras Railways and Cog Railway) **and the line Poprad-Tatry – Studený Potok – Tatranská Lomnica**,
 - b) **SMS price list No. 2** – valid for **all lines** except the TEŽ and OŽ lines.
- 1.2 SMS ticket purchase according to the SMS price list No. 1 or SMS price list No. 2 is self-service, it is purchased by sending an SMS directly to a specific phone number.
- 1.3 **SMS ticketing ZSSK is available:**
 - a) for all customers of the operators **Orange Slovensko, a. s., Slovak Telekom, a. s., O2 Slovakia, s. r. o. and SWAN Mobile, a. s. – 4ka** by sending an SMS to the **SMS number 2233 or 2255**,
 - b) for **customers of foreign mobile operators** by sending an SMS to the **SMS number +421 902 02 22 33 or +421 902 02 22 55**.
- 1.4 Sending SMS to **SMS numbers +421 902 02 22 33 and +421 902 02 22 55** is also available for customers of Slovak mobile operators.
- 1.5 The passenger is **obliged to board the train with a valid SMS ticket already received on his/her mobile phone** and also to provide the carrier with such necessary assistance to verify the validity of the ticket in order to enable the carrier to exercise his/her right to check the ticket in a proper manner.
- 1.6 The passenger **is obliged** to have valid travel documents **during the entire journey** as well as immediately upon disembarkation from the train.
- 1.7 By purchasing an SMS ticket, the passenger voluntarily agrees to the specified conditions of its use and validity control, in particular the obligation to present a functional and sufficiently charged mobile phone, in which the SMS ticket is stored, to an authorised employee of the carrier for checking.
- 1.8 By purchasing an SMS ticket, the passenger agrees to provide the authorised employee of the carrier with his/her mobile phone or any other mobile phone through which his/her SMS ticket was demonstrably purchased, not only the text of the received SMS message itself, but also other details of the message (e.g. deletion of the original SMS ticket), to verify the validity of the SMS ticket, and to provide a telephone number and the time necessary to verify the authenticity of the SMS ticket by calling the following.
- 1.9 Unless otherwise stated in the Terms and Conditions of SMS Sales, the conditions set out in the ZSSK Terms and Conditions of Carriage (ZSSK PP) apply to the carriage of passengers, bicycles, luggage and animals.
- 1.10 ZSSK accepts no liability if the telecommunication means used does not work properly and/or if there is a fault in the electronic messaging and messaging software used by the customer. In any event, ZSSK's liability is limited to issuing a new ticket under the same conditions.
- 1.11 The Customer accepts that an online/SMS order for a ZSSK ticket has the same legal validity as a written order signed by the ordering person. A ticket purchased via SMS has the same legal validity as a ticket issued at the station, on the train or via a ticket machine.

2 Purchase of the SMS tickets

- 2.1 Upon sending SMS in order to purchase a specific SMS ticket, the following will happen:
 - a) if passenger sends a message to **SMS number 2233**, resp. **2255**, a return message – SMS ticket will be sent to the passenger's mobile phone within approximately **2 minutes**, which will contain the type of ticket, validity (date and time from – to) and verification code,
 - b) if a passenger sends a message to the **SMS number +421 902 02 22 33 or +421 902 02 22 55**, a return message will be sent back to the passenger's mobile phone with instructions on how to pay by credit card. After payment by credit card, the passenger will receive an SMS message – SMS ticket to the passenger's mobile phone, which will contain the type of ticket, validity (date and time from – to) and verification code.
- 2.2 It is also possible to purchase multiple SMS tickets from one mobile phone via SMS – as many SMS tickets will be sent to the mobile phone as the number of times the SMS message has been sent to the relevant phone number. SMS tickets from one mobile phone will be valid for as many passengers as the number of SMS tickets purchased, provided that the passengers meet the conditions for using the selected type of SMS ticket during the journey.
- 2.3 **If the delivery of the SMS request to the system operator is delayed by more than 5 minutes due to technical reasons**, an informative message will be sent to the passenger free of charge about the further procedure.
- 2.4 The carrier is not responsible for failure to deliver the SMS ticket on time.
- 2.5 The SMS ticket will not be delivered if:
 - a) **the conditions for the service are not satisfactory**,
 - b) **the payment for the SMS ticket exceeds the limit on the prepaid card, i.e. there is not enough nominal credit on the card, which the customer has paid for** (the mobile operator does not allow the service to be paid from the bonus or extra credit. The customer can obtain the specific conditions for the use of the credit from his/her operator),
 - c) **if the customer is classified in a group, according to the criteria of the individual mobile operator, who is not allowed to use the service**,
 - d) if, in the case of a foreign mobile number, its **foreign mobile operator prevents the delivery of an SMS ticket to the passenger for any reason, or if the payment gateway fails to process the payment transaction correctly**, etc.
